We rent our Beach House as a single family unit, but actually it is more than suitable for extended or a multi-generational family.

The Master Suite including a private bathroom and private deck, fully equipped Kitchen, indoor & outdoor Dining Areas, and comfortable Living Room and Guest bathroom are all Upstairs -and- with 3 bedrooms plus an extra (bonus) room, a family TV room, 2 bathrooms and a laundry room are all downstairs.

The House has a private back entrance leading to outside shower and also a scenic roof deck to relax and view the sunrise and sunset and some bay and ocean views in the distance.

The house is Centrally Air Conditioned for maximum comfort for those hot summer days, the new Kitchen is fully equipped with all new stainless appliances and cookware.

The house is within a short walk to the Beach, the Harvey Cedars Marina, the Bible Conference, the Harvest Cove and the Bay. There's no heavy car traffic or road noise to listen to while relaxing at our house. In fact, many people

take advantage of our neighborhood with it's wide and quiet streets for a nice morning walk or an afternoon family bike ride.

After another day on the beach, enjoy an outside shower, relax and see the views from the roof deck, and feel at home in this spectacular house suitable for your multi-generational or multi-family LBI vacation.
